

We like to keep things simple. That's why at Building Dynamics, what you see is what you get. Sure, you can upgrade, but our standard is *their* upgrade. Plus, our homes are Smart, just like you, so you won't be paying extra for the so-called upgrades your friends paid for.

We know. We thought of everything. **Now you're home.**

Remember when you thought adulting was a drag? That was before you found out you could satisfy your ambition to make a home for yourself while living a carefree, wandering life. Our beautiful, maintenance-free townhomes let you spend your weekends your way, instead of primping that yard to appease the neighbors.

You just got your weekends back. You're welcome. **Now you're home.**
