Bath: 2.5

ABOUT THIS HOME

Enjoy the luxury and comfort you've always wanted with the two-story Summit floor plan, a 3 bedroom, 2.5 bathrooms, and 3,670 total square feet. This plan has features and options exclusive to our Northridge community. The Summit at Northridge model includes the Master Bedroom Retreat, which is an upgraded option in other communities.

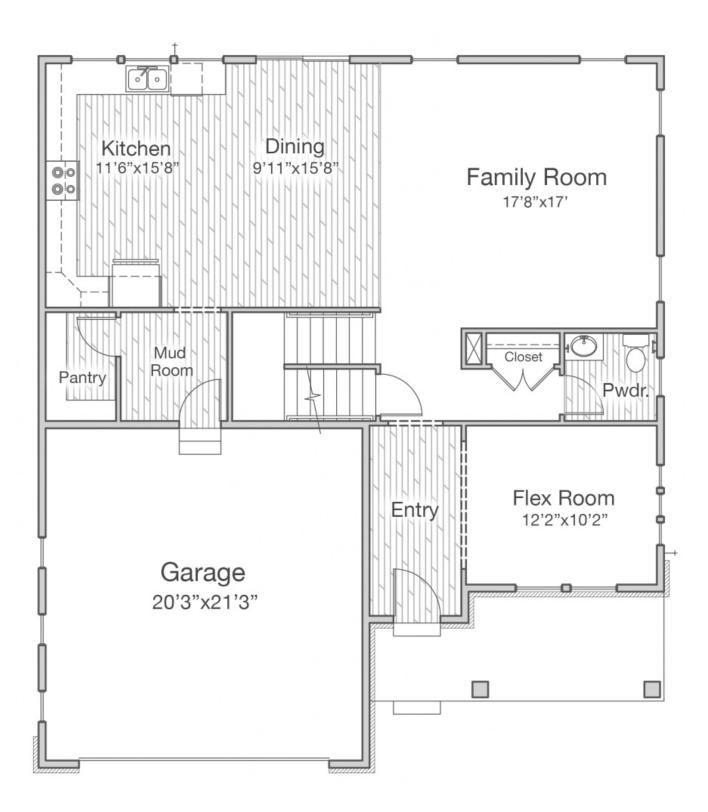

The entryway takes you to a flex room that's perfect for relaxing by yourself, with family, or guests. The foyer also leads to a convenient closet and powder room. You'll then find a spacious family room with an optional fireplace for optimal coziness. This open space also includes a dining room and your gourmet kitchen with its granite countertops, large island, and spacious pantry.

On the second floor, your huge owner's suite is perfect for relaxation. Included is a stunning owner's bathroom with a walk-in shower, luxurious tub, dual vanity, and walk-in closet. You'll also find 2 extra bedrooms with closets, a bathroom, a convenient laundry room, and a roomy loft to use however you wish.

If you want to add even more space to your home, you have the option to finish the basement with a large recreation area, two bedrooms, and a bathroom. Transform the recreation room into a movie lounge, children's playroom, and more.
