COMMUNITY

Overview

Enjoy beautiful surroundings & breathtaking views of yawning canyons and fascinating rock formations. Desert Canyons is set against a vast and endless landscape of desert hills backed by snow capped mountains. Price, UT offers a small, close-knit community feel and provides endless outdoor activities. Admire Nine Mile Canyon, also known as the longest art gallery in the world. Visit the popular Utah State University Eastern Prehistoric Museum where children can dig for dinosaur bones and learn about these amazing prehistoric creatures.

There's plenty of jaw-dropping scenery that surrounds price, offering amazing outdoor adventures and off-the-beaten-track trails for hikers, equestrians and mountain bikers.

Location

Price, UT sits 65 miles southeast of Provo, UT. Desert Canyons is located in the northeast corner of the town, surrounded by vast desert landscape with endless breathtaking views.
