

Sundance

West Valley City, UT

LENNAR

Overview

This two-story home offers 2,424 square feet of living space and 3,492 square feet in total. This plan is ideal for entertaining featuring a separate living room off the entry as well as an open-concept living area that encompasses the Great Room, dining room and kitchen. Explore new recipes in a dream kitchen that boasts a large island and walk-in pantry. And the second level is for living with four bedrooms, including the lavish owner's suite with spa-inspired bathroom and oversized walk-in closet.
